# Cybersecurity for Lawyers and the Clients They Represent

PRESENTED BY:

**Kathy Winger**, *Law Offices of Kathy Delaney Winger*

**Marc Enzor**, *Geeks 2 You*

In this seminar, we will discuss current legal and data security issues and practices and what they mean to you, both as a lawyer and business person, and to the clients that you represent. We will also discuss the ethical obligations related to data security that are imposed upon lawyers under the Rules of Professional Conduct. The objective of the presentation is to ensure that attendees are not only aware of potential exposure but also have specific, actionable information to help address the risks presented in the cybersecurity arena.
