

UA South Continuing Education and IEEE Fort Huachuca Section Presents:

# Cybersecurity

from a Business  
Lawyer's Perspective

What do you need to know as a cyberprofessional, user, business owner or technology professional about your potential exposure and risk in the world based around cyber? Cybersecurity lawyer **Kathy Winger** will provide specific, actionable information to help address the legal risks that exist in the cybersecurity arena and what you can do to reduce your risk.

**Wed. Jan. 31st**  
**5:30pm - 7:00pm**

*Pizza will be served*

UA South  
Public Meeting Room (PMR)  
Groth Hall, 1140 N Colombo Ave  
Sierra Vista

**OUR SPEAKER: Kathy Winger** is a business, corporate, real estate, banking and data security attorney in Tucson who represents companies, banks, credit unions and individuals in commercial and corporate transactions. She frequently speaks to local, state and national business and technology professionals about cybersecurity, has written articles on the topic that have appeared in national publications and has been interviewed about cybersecurity and data breaches for newspaper articles and radio shows.
